JOHNNY DC SAYS:

LET THE MAIL BEGIN!

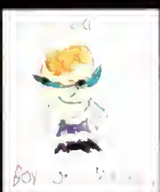

Hey, friends! Here's a special message from Cartoon Network about your favorite cartoons!

Start the New Year with a bang with Cartoon Network! Tune in for an action-packed marathon of hit movies. Watch movie after movie of your favorite Cartoon Network stars including Powerpuff Girls, Pokemon, Totally Spies, Teen Titans and more! Tuesday, January 1, 2008 6 am-6 pm.

Sounds good to me!
— Johnny DC

DRAWING BY COLIN GALLAGHER, AGE 10

Dear Johnny DC,

I have read the POWERPUFF GIRLS book #4, "Blossom Out." I love it. Now I am reading #2, "All Chalked Up." I think the Powerpuff Girls are cute, but when they fight, they are mean and tough. I like Buttercup because she is black and green -- my favorite colors. I like Blossom because she is smart, and I like Bubbles because she is a girly girl. I have been drawing since I was seven years old. Do you draw the Powerpuff Girls?

I would love to know who plays the Powerpuff Girls on TV.

Melissa Herrera, age 11
Peoria, Arizona

Well, those aren't live actors, those are animated drawings. (Oh! You knew that.) Anyway, the talented people behind the microphones are E.G. Daly, Tara Strong, and Catherine Cavadini.

I don't draw the Girls. Some of the artists who draw the stories are Ricardo Garcia-Fuentes, Christopher Cook, and Phil Moy. Of course, many of our fans -- like YOU -- draw the Powerpuff Girls on this letters page!
